

Old Men Retired

Industrial Concerns Will Engage

Only Young Men

In these days of strenuous competition when dividends count for more than men, the man who retains his youth is the man who holds his job.

That is why one of the most successful dermatologists in Paris has warned young men to take good care of the hair. If you grow bald at 30 or 35 or even when you are older, that bald spot will go far as appearance goes and 10 years to your life.

Men who have hair should by all means keep it. In later years it may make a livelihood to yourself and family.

Dandruff means falling hair; falling hair means dandruff. Stop falling hair and dandruff now. Go to The Lee & Osgood Co. and get a large 50 cent bottle of Partisan Balsam. They will guarantee it to stop falling hair; to drive out all dandruff and kill the dandruff germs, or money back.

Remember that hair which is bald from a single position is bald-capped at the start. Partisan Balsam will make hair grow, will give it a lustrous appearance that denotes health and youthfulness. For sale by the Lee & Osgood Co. and druggists everywhere. Girl with Auburn hair on every bottle.

King, who was the host of the dinner which was accompanied by a letter of greeting and sympathy from his brother Odd Fellow, Shetucket Lodge, No. 27, L. O. G. F., began with 25 charter members. Now its membership goes up to 28. The last member taken in was No. 598.

The present elective officers are: H. G. Joseph McKnight, Jr., George B. Upton, recording secretary; Louis Murray, financial secretary; A. M. Murphy, treasurer; E. H. Miller.

After the regular routine business of

the order was transacted, the roll call was made by Secretary Louis Murray, and showed that six—J. J. King, James E. Hart, William J. Wood, James A. Gordon, H. C. Wright and Henry D. Gordon, of the original charter members were present. There are seven others living. The absence of P. G. Charles W. Tunks, first noble grand of the lodge, was noted with regret. He, however, sent a letter, in which he expressed his warm interest in the order, which was reciprocated by a letter of greeting and sympathy from his brother Odd Fellow.
